**There will not be a cup assigned this quarter! If and when we do resume the cup, please just go up to the altar and assist if you are at mass.**

**The Bread Minister will stand next to Father. If the Deacon is assisting, please ask him where he wants to stand, then stand on the side by the tabernacle.**

**Please remember to call for a substitute in the event you are unable to serve at your scheduled time.  
Thank you for your continued service to our Parish Liturgy!!**

### **SPECIAL NOTES**

#### **To All - Lectors and Eucharistic Ministers:**

##### **An apology to All for the number of times you are scheduled to serve!**

Due to a shortage of ministers, some of you had to be scheduled more often and also had to be placed in your 2nd time preference, instead of your 1st.

When you are at Mass,  
PLEASE feel free to fill in if you see that there is a vacancy or a TBA.

#### **Note to Eucharistic Ministers:**

**Please remember - at Communion Time - that the EMs move up around the altar as soon as Father has taken the bread into his mouth.**

Please try to check to make sure that all Eucharistic Ministers are present. If you are at mass, and able to fill in a vacancy (TBA) — please do so. If there is a shortage of lay ministers, please check with Father and discuss, BEFORE mass, how Communion will be distributed.

#### **Note to Altar Servers:**

Please feel free to fill in when you see a vacancy at Mass, or if a TBA is listed on the schedule.

***Please know that your service does NOT go unappreciated!***

***THANK YOU FOR YOUR CONTINUED SERVICE!***
